Girls like Natalie
will do anything for
a load of cum.

A Nympho Like Natalie

Dear Virgin Territory,

Back in the days, I shared a flat with my mate. Downstairs lived a single mum and her two kids. The older daughter, eager to please and a little insecure, was very cute. She looked so much like Natalie Monroe in her hardcore set online at 18eighteen.com. All that summer she would show up at our door looking for fun. She took us deep into her strong and tight little body, again and again, for hours at a time, and just like beautiful Natalie here in her XXX scene, we came all over pretty face and coated her smile and braces with loads of our hot cum!—R., via email

Dear R.,

That sounds like a very hot scenario, and we're glad we could help you relive it through cute, little Natalie. For all our other readers, you'll be seeing this hardcore set soon!

Juicy Alex

Dear Virgin Territory,

To start things off and running, this girl Alex is very sexy looking and a beautiful little juice pot. One

look at her from the mag and my big cock jumped straight up and out of my shorts. Wow, what a sexy looking knockout she is. I hope there will be more layouts of her in the future. The

picture of her legs spread open, pink pussy lips opened up on page 25 of the mag made me want to shove my tongue up inside her pussy followed by my big fat cock. She is an Aquarius born Feb. 5 and I am a Pisces born Feb. 21.

I would love to smell the panties that she was wearing for many hours. I enjoy smelling teens' panties. I fantasize so often about schoolgirls. I love it the most when they are wearing long sleeve buttoned shirts, shorter than short skirts and a tie, just the way Alex is. I also like one- or two- buckled regular-heeled shoes. This all turns me on like you wouldn't believe. When I see teens dress that way it makes me want to pound my dick right then and there.

I like to fantasize that I am at my girlfriend's house. We are fooling around on the couch and Alex walks in on us. She watches us for a minute or two and then goes upstairs to the

bathroom. She's so horny from watching us makeout downstairs. I can't wait to find her wet panties. She takes off her panties and puts them on the sink top for me to find. I tell my girlfriend that I have to go to the bathroom. I am really going up there to find Alex's juicy wet panties.

Alex spies on me for a moment outside the bathroom door. She watches me as I hold the panties that she's worn all day under my nose and sniff them. The crotch area smells so yummy. I am getting off on smelling her panties, and she walks in and catches me. She sees me licking the crotch and asshole area of the panties. Alex kisses me, takes my hand and leads me to a bedroom. I rub her panties all over her pussy and then I eat her pussy. I finger bang her pussy and asshole and she licks the juices off my fingers. We

have all six and am eagerly awaiting the arrival of number seven. I ordered it as soon as I saw the video preview for it in the Nov. '14 issue. I am especially eager to see Sadie and Heather get fucked on video, and I am also looking forward to Lila's anal scene. That photo of her gaping asshole was such an amazing tease! As much as I would have liked to see her with a cock in her ass, the anticipation makes it all the more exciting. My fantasies will have to fuel me until my DVD gets here.

Some of my previous favorites from the *Flat & Fucked* series are Isabella from number four, Alyssa (such beautiful, meaty pussy lips) and Moretta (braces and anal!) from number five and especially Mae from number six. Mae had one of the hardest fuckings and most intense orgasms I've

fool around for a while and then we fuck like monkeys in a cage.—B.H., Dyer, Indiana

Dear B.H.,

The fantasy you described sounds a lot like Ava's scene in *Cotton Tail 2*. Order it on page nine to see what we mean. And you're in luck. Alex does XXX in this issue. Check it out on page 10.

Flat & Fucked Forever

Dear Virgin Territory,

I will never tire of your *Flat & Fucked* series. I know if I want to see the cutest tiny-titted teens, all I have to do is pop ones of these DVDs in. I

ever seen. At the end of her scene when she's squeezing the creampie out of her pussy, her hands are shaking! Truly a great moment in teen porn history. I can't wait to see what wonderful scenes number seven holds!—P.O., Fremont, California

Dear P.O.,

We remember Mae's scene well and agree that it was excellent. Please let us know what you think of *Flat & Fucked 7* once it arrives!

at! I love seeing those mushroom caps on top of teen boobies. Alice's marshmallow nips had me drooling in the Nov. '14 issue. Hers were the second greatest nipples in your Perfectly Puffy special. The rest of the girls were great, too, but Lena is a puffy legend. Alice is newer so I have to admit that I like her more. I hope Alice keeps her boobs naturals and always shows off her puffies. She too has what it takes to become a puffy legend. It's the best when the girl is totally flat and there's nothing but a pair of massively puffy nipples on her chest. Jessi is another cutie with mini puffins, as is Lolly. When I have a girl with puffies, I don't even want to touch those nipples lest they get hard and lose their puffiness. Puffies rule!-A.J., San Antonio, Texas

Dear A.J.,

If you would like to see more of Alice's puffies, check out her solo scene in the DVD Pussy Show, available on page nine. You can also see her XXX pictorial in Naughty Neighbors Holiday '13. Order it online at eboobstore.com.

Yui? Yes!

Dear Virgin Territory,

You hit the nail on the head-Yui is totally an adorable little Asian fuck

doll. She is the embodiment of the appeal of young Asian girls-innocent, sweet, submissive and demure.

In her photos her expressions go from wide-eyed and innocent to sweet and playful to eager and horny. But her pussy looks yummy and tempting in every photo, as does her butt. I love how she spreads the goods for us from behind while looking over her shoulder so coyly. I've spurted like a geyser for this naughty little Geisha a couple of times. Lately your Asian girls have been excellent. I enjoy seeing

at least one per issue. Please keep up the great work.-S.W., Santa Rosa, California

Dear S.W.,

Make sure to check out Alina's pictorial in this issue. She's one of our hottest Asians ever!

Whackin' to Tali

Dear Virgin Territory,

Tali makes my cock super hard. For a skinny girl she sure has a nice pair of tits. They're just big enough to grab on and suck. I also like how

they are nice and round with pale pink nipples. In her photo on page 77 it's like she's spreading her pussy just for me. She looks like the girl-next-door who is in need of her first big cock. I could help

her out with that. I would give her the fucking of a lifetime, pounding her until she screamed and creamed. Her asshole looks so tight. I'd only stick my finger in at first, and then eventually work my way up to sticking my cock in after a few fingering sessions. I think she would love that.—D.F., via email

Dear D.F.,

We may be bringing Tali back for some XXX shoots. Stay tuned!

Yes, Barbie's shaved pussy is as sweet as it looks.

Barbie's Peachy Pussy

Dear Virgin Territory,

Barbie has the most delicious-looking pussy in your Dec. '14 issue. I bet her cunny tastes just like a peach, and is just as soft. It's always a wonderful bonus when a girl who is as sexy as she is has a nice pussy. I swear my mouth watered in the photo on page 67 where she is pulling her panties aside to give us the first glimpse of her pussy. That is the type of cooch I could munch on for hours. I want her pussy so bad I can almost taste it. It looks so smooth and soft and I bet it smells amazing. I think she might just have the perfect pussy. It's bald, she has a cute clit and her lips are not too small and not too big. They're just the right size to suck on, and would look great draped around my cock.—T.Q., Boston, Massachusetts

Dear T.Q.,

We have reason to believe that Barbie's pussy really does taste delicious. In her

scene in After School Slut Club, the guy she is paired with comments on how good her pussy tastes. You can order the movie on page nine.

Braces For the Win

Dear Virgin Territory,

Your specials are always a lot of fun. I was very excited to see the batch of Tinsel Teens you had in the Dec. '14 issue. While you usually feature pussy and flattie specials, it has been quite some time since I've seen a braces special. This one was great. It featured your most recent brace faces and a few classics like Amai and Kyliegh. My favorite kinds of braces are the silver metal ones that really stand out against a set of pearly whites. Sade's are a perfect example. You can see that metal from a mile away. However Rilee's are more ambiguous. Moretta also has a great metal mouth, and I thoroughly enjoyed that anal shot of hers. The girls were all adorable and sexy. Thanks so much for always providing such great entertainment.—L.F., Peoria, Illinois

Dear L.F.,

We don't often get teen models with braces, so that makes us cherish them all the more. It's our pleasure to be able to give tribute to these tinsel-toothed beauties in a special, especially because guys like you enjoy it.

ALEX
STUFFED

We tried to tell lil' Alex that bigger isn't always better!

Plenty of people love big tits, but here at *18eighteen*, we're members of the itty bitty titty committee. Alex's tits are small, but they're not *that* small. There's no need for her to stuff her bra; we like her tits just the way they are. There are much better things for her to stuff...like her pussy! This guy knows that, and he shows her how true it is. A teen girl like Alex has a tight tunnel, so the first thing he stuffs her with are his fingers. He finger-bangs her hard to prepare her twat for his cock.

Why did you stuff your bra, Alex?

"I know I'm a pretty hot chick, but I felt like I'd be hotter if I had bigger tits. So I stuffed my bra, and it got me lots of attention. The only problem was that if I was going to fool around with a guy he'd see the tissue! That's what happened this one time. Luckily the guy thought it was funny, and he said my boobs were nice the way they were. He made me feel so comfortable about my body that I got naked and let him have his way with me."

HEIGHT: 5'2" **WEIGHT:** 112 lbs.
BRA SIZE: 34A **BORN:** Dec. 21
LIVES: New Port Richey, Florida

What inspired you to swallow his load?

"He really took me to pound town, and it drove me crazy. I was getting so hot and horny and into it. I just got this urge to be totally slutty and raunchy, so I told him to cum in my mouth. I wanted to suck all of that jizz out of his dickhead."

**Welcome to
our mag,
Aubrey! Tell
us about
yourself.**

"I'm originally from Florida but now I live in Los Angeles. I'm enrolled in online classes for psychology. I like to make videos, travel, go to the beach and ride horses. I'm also very flexible. When it comes to guys, I guess you could say I like older men. I get along better with them. I'm also a hopeless romantic with a dirty mind. My ideal date is a cute picnic at the beach followed by wild, hot, crazy sex."

HEIGHT: 5'3" **WEIGHT:** 102 lbs.
BRA SIZE: 32A **BORN:** April 25
LIVES: Los Angeles, California

What are you into sexually?

"I like both girls and guys, and I'm basically down for whatever! Not that I've tried a ton of stuff sexually, but I'm open to ideas. If it's going to make me cum, I'm all for it. The most orgasms I've ever had in a row is four while in doggie-style, but I want to cum more. Way more!"

Tell us about some things that you personally find sexy.

"Well since I like girls, I think it's really hot for a girl to fuck me with a strap-on. I have sex with a girl almost every day! And I'll have sex with a guy a couple of times a week usually. I masturbate pretty regularly. My Hitachi is my favorite toy! When it comes to sex, my favorite thing is being in a three-way, either with two other girls or with another guy and girl. Besides that, I consider myself to be 1000 percent an exhibitionist. I have sex in public all the time. I've done it while hiking, at the beach, behind sand dunes, in zoo bathrooms and cars. I absolutely love public sex! So that's pretty much me. I like to get a little wild and have fun. Preferably with a hot girl and a sexy, built 40something man!"

The Flatter, The Better

If you think that big bouncy boobies are all there is, tune in and turn on to this tantalizing trio of board-breasted babes who know the itty-bitty-titty committee is a club you'd love to join.

BY PAYTON PARKER

"Do you have any idea what it feels like to be told you look like a boy when you're a teenage girl?" Molly asked, tears on the verge of her wide, expressive hazel eyes. "It's hurtful," she said quietly, answering her own question. "It sets the tone for feeling badly about how you look. And that's a shame."

Indeed it is, because Molly, now 22, is a lithe, leggy beauty. What may have seemed gangly or awkward just a few years back is now graceful and lean on her 5'6" frame. She wore athletic shorts—she was headed for a run after our scheduled chat at a smoothie café—and a simple, sporty cami top. It had one of those built-in sports bras, but she hardly needs it.

Molly is, as so many of her teenage-era tormentors called it, "flat as a

board." Her nips—they had been rather active during our chat—were highly visible through the turquoise material when hard. It was mouth-watering, actually, but the breasts?

"I have almost none," she said, wide smile brightening her briefly sad moment. "But honestly, I love to run and jump and so I think they'd just slow me down." She paused, blushed a bit, "And I have as much fun with my nipples as a girl with double-Ds, I can assure you...."

It was my turn to blush.

I get lots of letters. Quite a few from the ladies. While most tend to talk about some or other sexual conquest—a seduction of (or by) a former teacher or coach, the incredibly huge cock of the shyest boy in class, the discovery that older men are fierce,

fine predators in the sack—others are from girls who want to talk about something that means something to them. And of late, I've gotten a few from flat-chested beauties ready to talk seriously about how they DON'T wish they were bigger—and why. So I decided to pay each of them a visit.

Not unlike the girls within its pages, the readers of *18* come in all stripes. Sure, some are boob guys (and girls!) but others? They say, "the flatter the better...."

MOLLY

She didn't come to love her non-existent boobies overnight, but once she did, she never looked back.

"This will be the only personal

thing I tell you that actually embarrasses me," she said, prefacing the story to come. She took a deep breath, exhaled and let the confession fly: "I used to stuff."

Pardon?

"My bra. I used to stuff my bra. I used to buy those perky, padded things that I jokingly called 'strap-on boobies.' And I had some lacy ones that I couldn't fill out, so I stuffed them. Usually with toilet paper."

Then she laughed for at least half a minute straight until her eyes were a little teary.

Naturally, I wondered how she had come to the epiphany that her flatter-than-flat chest was perfectly beautiful, so I asked. She giggled some more.

"That was a tragedy turned triumph," she said, and took me back a few years to when things were getting hot and heavy with a guy she'd been dating.

She really liked him. Like really-really. Like thought about him touching her every-

Charmin toilet paper.

"He had this amazing tricked-out SUV—a Cadillac or something—it might have been his dad's. And after a really nice dinner we headed over to a park with a jogging path around the lake and walked a few laps. The fountain in the center had all these different colored lights—really pretty."

Once they made it back to his car, they began talking and before long—kissing against the side of the vehicle. It got very hot, very quickly—tongues curling 'round one another, hands roaming.

"My heart was beating, my cunny was wet beyond belief," she said, "I could feel my clit throbbing...and then his hand slid up my side to cup a breast and BAM! Stuffing came exploding out the top of my sweet-heart sun dress!" She laughed at the memory but at that moment she was truly horrified.

He started to chuckle. Then she started to cry. He looked surprised.

"He told me that he was actually happy I had no boobies! I was totally skeptical. I mean, what guy doesn't like big boobs? It's all you ever see in magazines or on TV or whatever. But then he explained, all the while tracing his finger along the edge of my dress's now-empty cup, that he was absolutely a fan of flat-chested girls.

"I asked him why..."

"He bent his head and gently pulled the top of my dress down, exposing my flatter-than-flatness to the open air. It felt cool. The breeze pulled my nips tighter and pointier than ever, like strawberries upside down on a porcelain tray. I was feeling pretty un-feminine, until he started to suck on them."

His warm tongue teased one and then the other to stiff points. Molly's panties grew moist, then damp, then saturated. She moaned and asked if they could hop in the truck. He was more than happy to oblige.

Once on her back in the cushy SUV, dress pulled down to her belly button and pushed up to her hips, Molly surrendered to her fantasy of being devoured as he licked and sucked and kissed her bare-bald pussy like a confectioner's egg. She spread her legs wide to accommodate, fingering her ample nips, which at this point had gone purple and stood out almost peg-like in the glow of the dashboard light.

When she finally came, it was hard and loud and primal, her pussy glazing his hungry lips like a warm doughnut, fresh from the fryer—but twice as sweet.

"I can't take it anymore," he told her, licking her sweetness from his lips, "I want to cum on your titties."

She sat up a bit, resting against the seatbacks and spreading her naked,

where, kissing her everywhere. But she was nervous. She'd been wearing those padded numbers since the day they'd met. And on the night all the stars began aligning for something super sexy to happen, she was wearing a C-cup stuffed to the hilt with

glistening cunny wide with one hand, pulling roughly on a taut nipple with the other. On his knees, he released a long, stiff cock—his erection was so immense it looked almost painful, stretching the velvety skin tight. She leaned over and took it once in her mouth, feeling its girth and heat, wetting it for the sweet violence to come.

She pulled and twisted her nipples now, giving him a flat-girl titty show while he stroked and jerked and after a minute—maybe less—he cupped his balls tightly and began to shudder, showering her chest with creamy-hot spunk which she lovingly rubbed into her itty-bitties.

"It was, quite simply, beyond hot," she said. "I'd never felt so 'myself,' and now that I know there are men out there who appreciate my boobies just the way they are, I feel so much better about myself. I will never, ever stuff again."

ZOE

"Never?" I asked her.

"Never EVER," she affirmed.

Zoe, 19, never wears a bra. Ever. No matter the occasion. No matter the outfit. No matter ANYTHING.

"Funny thing is that I'm not really one of those 'show off the goods' girls," she told me. "I prefer loose, comfortable clothing. I go to class mostly in sweats. I'm studying nursing—and though it's totally because I want to help people, I have to admit the idea of wearing what's essentially pajamas to my job is a huge benefit!"

She has a pretty good sense of humor, too.

The baggy duds hides a bounty of sexiness, though. She is a petite brunette with big dark eyes, long lashes with no need for mascara, full lips, coffee-colored skin. She's a 10 hidden inside what you might wear to clean your garage.

"Look I'm not a fashionista girl. I like to play sports. I usually pull my hair in a ponytail. Not into makeup. It's cool because once in a while when I do get dressed up—for a wedding or some other special occasion—I blow everyone's mind! But I have to say, my family is always riding me

about 'looking nicer,' 'looking more like a lady' or whatever. It's lame, but I'm a nice person. I get good grades. They'll just have to deal."

One Thanksgiving, however, her baggy clothes and teeny-weeny titties proved the perfect combo for some hot, surprise nookie she'll never forget.

"Our family always plays football in the backyard at Thanksgiving. It's a great way to work up an appetite and a great way to get us up and out after eating so we don't all fall into food comas on the sofa!"

Last year, her older brother brought a friend home with him from school, an international student named Nick who didn't bother to fly home to a place where Thanksgiving isn't a holiday anyway.

"He was outrageously cute," she noted. "But I didn't think anything of it." Until football.

Nick had found a soccer ball in the garage and being from the U.K., football means something entirely different. He wasn't keen on the American version—didn't even know the rules—so Zoe went to a far corner of their expansive, farm-like yard to kick the ball around with him instead while the family broke

middle of a scuffle, lost her footing on the ball and slammed down on her back—hard.

"It was a good fall," she told me, chuckling, "it knocked the wind right out of me. But of course, it was a breezy fall day, and the wind also caught beneath my baggy shirt. I ended up there on my back with the jersey up over my face. Unintentional boob flash—big time!"

She took the top down slowly and felt her cheeks burning hot with blush even as her nipples were hardening, reappearing through the material even after she'd re-concealed them. She lie there, a bit dazed from the fall, a bit embarrassed by the situation and—admittedly—more than a bit turned on. Especially when she noticed the tent forming in Nick's equally loose athletic shorts.

"We locked eyes and I could see his cheeks going red!" she remembered, laughing. "At that point we smiled at each other, the two of us both caught out there, even if his big 'ol hard on was a bit more obvious than my accidental howdy-ho! It seemed like ages we stared at each other before he came down on

a knee, careful, I think, not to let his dick touch me. Quite a feat! It looked pretty ample in his semi-tight shorts!"

He asked if she was okay after the fall. She responded by pulling him down for a kiss.

Instantly his cold hands roamed up her loose top, making her taut nips even harder as his palm caressed the flat of her barely-there breasts. His

raging stiffy pressed against her toned thighs as the make-out session got hotter, and she slid a hand inside his shorts to gauge what she might be sampling. Her small hand could barely close around its impressive girth; she felt her pussy gush its sugary-wet approval. There would indeed be a British invasion on American soil. Imminently.

His raging stiffy pressed against her toned thighs...

into teams for the NFL-style game closer to the house.

"I'm pretty athletic," Zoe told me. "I grew up with lots of brothers and male cousins, playing sports, so I give it all I have. Our little soccer match started getting pretty intense—in a good way!"

Nick was crowding her play; she couldn't get around him and in the

Alli, you must hear that you have beautiful eyes all the time, right?

"It's the most common compliment I get. And I do think my eyes are my best feature. I've been told that they're really intense when I'm looking up at a guy as I'm blowing him. Sometimes I get compliments on my boobs, too. Especially when I wear a push-up bra. Which is often. I like to dress up in dresses and heels and treat life like a party! Glitter and color and skimpy outfits dominate my wardrobe. I like to show off as much skin as I can, and I like the attention it gets me."

What kind of things do you like to do in your free time?

"Reading, working out, fucking and playing video games. I also like to sing, and I'm pretty good at it. I like to go on adventurous dates. What's so great about being normal? Fuck that, let's go play paintball or something like that! I also spend a good amount of my free time masturbating. I love clitoral stimulation. I often use water pressure in the tub, and who could deny the power of Hitachi? There are days where all I do is stay in and masturbate for hours. I could call a guy or girl to come help me out, but sometimes I just want to indulge my fantasies and see where my perverted mind takes me."

What kind of kinky fantasies do you have?

"When I'm rubbing one out I like to think about being tied up and spanked. I like to think about being in a girl-girl-boy threesome. The girl would be fucking me with a strap-on while I sucked the guy's cock, then they would DP me. I'm a fan of anal. The trick is just learning to relax. When I masturbate I also like to think about hot past sexual experiences. One memory that I revisit a lot is a time when my ex and I went geocaching. That's when you use your GPS to play hide and seek with containers that people have left all around the world. Well, we ended up in some random backyard and fucked like crazy!"

Natalie, do people think you're innocent because you have braces?

"Yes! They always assume that I'm some nice, little girl. But then when we start talking about sex and I tell them how much I love to suck dick and get fucked hard, they're always shocked. In a way, it's a good thing they think I'm innocent. I can get away with way more. Teachers and parents love me. If only they knew I was deep-throating their sons while they're not home!"

Wow! What other naughty things do you do?

"I like to sunbathe nude a lot, and I don't care who watches. I get turned on if I know someone's watching. I'm also always on the prowl for cock. Since I'm always so horny it's like I want to fuck everyone! I can usually see what's attractive about anyone. Then I start wondering what they'd be like in bed, if they have a big cock, how they eat pussy, how their cum tastes. The next thing I know my panties are wet because of some stranger I just met. And sometimes, those thoughts turn into actions. Sometimes I'll end up blowing a guy I just met in the back-seat of his car because I just had to feel his cock grow hard inside my mouth."

Halle always keeps it real!

The first thing Halle says to the camera in this scene is, "Today I'm going to get fucked." Well, okay! She certainly doesn't beat around the bush. And speaking of which, she has a nice, little trim one between her legs. One that gets stretched and stuffed by this fat cock. And in the same straight-forward manner as her opening line for this video, she tells her fuck-buddy just how to rail her pussy. "Oh, that's it!" she says as her tiny body is getting plowed. You never have to worry about how the sex is with Halle. She'll always give you feedback. "If the fucking is good, you'll be able to tell. I'm pretty vocal, and I will tell you when it feels good." She may be small, skinny and flat, but there's no need to worry about breaking her. Halle likes it rough; that's when she moans the loudest and says she's cumming.

HEIGHT: 5'3" **WEIGHT:** 100 lbs.
BRA SIZE: 32A **BORN:** July 4
LIVES: Nashville, Tennessee

**You handled his
cock pretty
well, Halle.**

"I have a high tolerance for big cock. Even though I have a tight pussy, I love the feeling of being stretched to the max. Some other girls can't handle it, but I like it. I also like sex rough, fast and hard most of the time."

She's a naughty cowgirl!

"I grew up in Tennessee and rode horses a lot. I think that experience made me good at riding cocks. When I fuck a guy and I get on top they always comment on how much work I put into it. I guess other girls will just flop on top of them and expect the guy to do all the work. But not me! The guy can just lie there while I bounce up and down on his dick. It's 'cause my legs don't get tired. I have a lot of fun doing it, too!" Her tiny, perky titties bounce up and down as she rides, sending her guy over the edge. By the end her cheeks are flushed and her chin and lips are glazed with cum.

TITTY TANLINES

Nice tanlines!

"Thanks. I love to spend time at the beach and at my community pool, so I always have tanlines. I've tried to go topless at the pool to even out my tan, but I got kicked out. I understand that it's not allowed. The funny thing was that the security guard totally had a boner while he was kicking me out."

He probably liked your little tits!

"Yeah, definitely. He was staring at my chest and body the whole time. You might be surprised, but lots of guys like my little tits. They tell me that they're cute and they fit my body type. My favorite thing to do is wear a tube top with no bra. It's easy access! If I'm out on a date or something, and the guy and I start hooking up, he can just pull down my top and suck on my nipples right there. Having little tits is fun and low maintenance!"

THE FLATTER, THE BETTER

Continued from page 30

"God, your nipples are so sexy," he whispered, sliding up her shirt and moving between them with eager lips and tongue. The cool air on their wetness made them almost painfully hard; Zoe found herself more aroused than ever.

"No other guy had really paid attention to them like that before," she said. "It was hot knowing that he thought my flatties were a turn-on, and I discovered that I reeeeeeeally like having my nipples licked and sucked. I'd never had the chance to enjoy it quite so much. After a couple of minutes I found myself grinding my pussy against his cock. We dry humped like that for quite a while, and it whipped us into a frenzy."

Zoe rolled him off her and took down his waistband, allowing his cock to arc free like a spring and taking it deep into her wet, hungry mouth. Sliding it in and out, tasting his pre-cum on her tongue, she felt herself getting even more turned on. Nick was feeling it, too, she surmised. He felt as if he were ready to explode.

She eased off him as she took down her shorts, opting—for the moment—for a reverse-cowgirl.

"I was still a little paranoid that my brothers or worse—my dad!—might head our way with news that dinner was ready or something!"

The sensation of his cock sliding up inside her, his hands holding her slender hips as she rode him like a proper country girl was the best fucking, she said, she'd ever experienced.

"He was huge, I was hot and full to bursting. I bit my lip to keep from crying out, and when his hands began to roam, fingers stealing wetness from my tight pussy and using it as lube to tickle and tease my tight bum, the kink factor really got me going—which was a surprise!"

She rotated 180 degrees on his prick, leaning down to kiss him, then allowing him to take the lead. He rolled them over, driving her into the soft grass with his thrusting, moaning into her mouth and talking a bit dirty—which in that accent, she found, was enough to have her wrapping her legs around his waist and cumming like she'd never done before.

Meet this Italian knockout!

Stella is a Euro beauty who spends her time between Rome and the UK. Because breaking hearts in just one country isn't enough for this stunner! "I like to travel a lot, so I have a boyfriend in the UK and a boyfriend in Rome. They both know about it and are okay with it."

How did you manage that, Stella?

"I was honest with both of them. I didn't want a steady boyfriend. I'm young and I like to keep my options open. So they both agreed to an open relationship. It works out for them too because they can see other girls. I have had three-ways with each of them and some of their other girlfriends. I found it quite exciting and sexy. I don't think they would team up to be in a three-way with me though, which is such a shame!"

HEIGHT: 5'7" **WEIGHT:** 110 lbs.
BRA SIZE: 32D **BORN:** Nov. 7
LIVES: Bracknell, United Kingdom

So you must really want to be with two guys at the same time then.

"Yes, it is one of my fantasies. All the three-ways I have been in were with another man and girl. Now I would like to see what it's like to have two men have their way with me. If my boyfriends don't want to help me, I'm sure I can find other guys who will. But there's no rush. I have lots of amazing sex now, and I have the rest of my life to experience these things. Plus, I am already fulfilling another fantasy by posing nude for your magazine."

Mindy is a frisky little blonde!

Just a few minutes into her photoshoot and she was eager to show us her butt-hole, as you can see in the photo to the right. "I'm pretty uninhibited," she said. "And I know I have a cute asshole. I look at it in the mirror. Why shouldn't I be excited to show it off? When I ride a guy in reverse cowgirl, I love it when he grabs my buttcheeks and spreads them so wide I can feel my asshole stretching. Then if he sticks his finger in my butt it will send me over the edge, and my whole body will shake and I'll cream all over his shaft!"

Are you into anal, Mindy?

"I like ass-play a lot, but I've never had full anal before. Butt-plugs, fingers and lots of licking are all awesome. One thing that always tips me off to whether I will be sexually compatible with a guy is if he is into the ass. If he acts all squeamish and scared, I just can't deal with it. I like a guy who isn't afraid to get a little nasty and bury his face between my asscheeks and munch away. I like it when the guy is open to trying just about anything and having fun with it, because I'm like that. So even though I've never done anal, I will probably like it whenever I eventually try it. I just have to make sure it's with a guy who knows exactly what he's doing!"

Do you like to get your pussy eaten, too?

"Of course! That is an absolute must. To me, it's also a huge turn-on when the guy is all about eating pussy and can't get enough of it. I've met some guys who don't like it or are indifferent to it, and it's pretty disappointing. Pussies are beautiful and delicious. How could anyone not want to eat one? I make sure to take care of mine so it's always nice and clean. It tastes good—I promise! Whenever I cum from being eaten out first, I always have the most awesome orgasms during the sex afterwards. And when a guy gives me awesome head, I make sure to reward him with the same."

"There were a lot of firsts with Nick," she confessed. "The dirty talk, the ass play, and then when I came—the squirting. It was insane. He later told me that the sensation of that on his balls was absolutely what made him cum. And when he did, I lifted my top and took the whole load on the boyish boobies that started the whole episode.

"Not surprisingly, when time came for dinner—we were both starving. We'd really worked up an appetite!" She threw a coy wink my way. "But I made sure to save him some pie for dessert later on."

BRITTANY

Tall, athletic Britt, a Florida girl, never went through an "I wish I were bigger" phase. It was antithetical to her favorite activity: running.

"I'm not saying bigger boobs aren't sexy—they look good in bikinis and tight clothing, but so do mine!" says the tall, slender 18-year-old. "The difference is that my less-than-A cups don't get in the way of competition or require engineering to hold them down while I run!"

Mind you, her beautiful, round ass, honed from years running track throughout junior high and high school, would be more than enough to distract the most devout mammary fan without question.

"To me," she said, "nothing feels sexier than a steamy shower after a good long run in the heat. I soap up my body and let my hands roam all over myself. When you're all sweaty and your pulse is still racing, the warm water is so refreshing and relaxing. It really hits the spot. Running makes me strong and keeps me healthy and looking good. Sometimes the adrenaline gets to me, and I just get turned on. No man necessary. Of course, it's always nice if one happens by at the right time...."

She's referring to the reason we're talking—an email she sent me about an encounter with a visiting coach from a local college.

Britt had just finished a rigorous workout, about 30 minutes of light weightlifting and machines at the

Cute, fresh faces. Perky little tits and butts. Bald pussies. Firm bodies. Did we hit the nail on the head? We think so, and we also think Sapphire fits the bill. She's a teen dream come true—pretty in an approachable way and just blossoming into womanhood. "I went through a huge growth spurt this year. It's like I became a woman overnight! One morning I woke up, and had boobs out of nowhere. I also started to get much more horny. Now I'm getting way more attention from boys than I ever have, and I'm really liking it so far."

HEIGHT: 5'4" **WEIGHT:** 115 lbs.
BRA SIZE: 34B **BORN:** Feb. 10
LIVES: Bristol, United Kingdom

Have you had sex before or are you a virgin, Sapphire?

"Technically I'm a virgin. I have done everything except full sex. I've been fingered and I've both given and received oral sex. This all happened very recently once I started getting attention from boys. Before that I was a huge dork that no one paid attention to. I always thought I would be a virgin until I got married, but I don't think that is going to happen."

Are you anxious to finally have sex?

"Yes. I've never been so horny before! I think about sex all day and all night. And my cunny always feels tingly, like it's just aching to be kissed and touched. And my nipples are always hard. I masturbate every day or else I'd go crazy."

THE FLATTER, THE BETTER

Continued from page 76

gym, then gone on a six-mile cross-country haul. "It was sunny out, but in the woods that doesn't really get to you that badly. The temperature does. The trees block the breeze, and it gets really hot. I was sweating so much, there were rings on the tank beneath my arm pits, under where my barely-there breasts are—even on my belly and definitely in the small of my back. It was a great workout. I felt like a superstar when I got back."

Once in the steam of the shower, her muscles began to relax, right along with the rest of her. She grabbed a bottle of body wash—"watermelon-scented, from the nice store in the mall; I'd gotten it as a stocking-stuffer for Christmas"—and began to soap up a loofa. Before long, she was a body made of fruity suds that ran all over her toned teenage form.

"I looked like something out of 'Scooby-Doo'," she joked. "A swamp monster. A really clean one!"

She stood just outside the reach of the spray when she noticed a form in the tiled archway. A man. He'd been standing there watching her, catching a glimpse of nipple here or bush there as the sudsy forms slipped around her body and dripped off, collecting around her slender ankles on the shower floor."

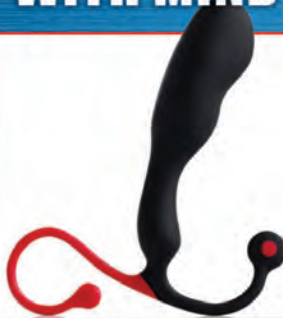

It was the coach from the track team from a nearby school. Fortyish and handsome, she'd taken notice when he'd given his talk to some of the better runners on the team. He was looking for scholarship candidates then. Now it appeared he was looking for something else.

"If you'd told me I'd have been as calm as I was finding a strange man standing there while I showered alone I'd have told you you were crazy," she admitted, "but for some reason, he didn't frighten me at all. I felt totally as though it were my call. I certainly surprised myself when I invited him in to scrub my back."

He balked at first, apologizing for the intrusion but Britt said she couldn't reach and he relented, though we're sure he didn't need much convincing to get so close to the leggy blonde with the tiny titties.

He took the loofa and scrubbed her back tenderly, reaching a hand

around to soap up her soggy bush—he could feel the silky hair beneath the bubbles, and it turned him on. He had come of age during the era of the unshaven; he liked a girl who left her patch mostly alone.

He let a few fingers slide between her lips, rubbing and teasing her clit, made even more slippery by the sweet-smelling suds. She found herself leaning up against him, getting his clothes wet and soapy. He didn't seem to mind. He was enjoying the show, watching her tease her nips to big purple points amid tiny white triangular fields surrounded by tan and freckles, the mark of where a small string bikini had been. The contrast of her flesh color and her nipples was sexy and startling.

She told him to lose the clothes. So he did, and then the real party began; him soaping her pussy, her his cock.

"Dandy handies!" I called it, she said, laughing. "We were both a little tense, afraid we'd be caught. And he'd have been in way more trouble than me! But his hands in my pussy—man's hands that knew how to touch me almost as well I as I did myself—it made my knees weak."

She pulled and stroked his cock, feeling it grow harder and harder, and then he held her close, her hard nips against his chest as she felt the creamy warmth of his milk on her hip. He eased her under the shower, all at once rinsing the suds away to reveal her fiery-red triangle of hair. He looked up at her and smiled. The color was a surprise; Britt is a blonde.

"I'm a strawberry blonde, though," she noted. "My hair 'down there' has always been a bright, fiery orange. I'm naturally two-toned!"

He buried his face in the squeaky clean muff, devouring its feminine flavor, lapping at the cleft between swollen lips until she buried her hands in his hair and came all over his face, nearly smothering him with her passion and strength.

"It might seem mean, but I all but chased him out afterward," she said, laughing. "At that point it was all over, and I was sure we were going to get caught."

A nice surprise though, she found his card tucked into her sneaker minutes later when she exited the shower room. She's eager to get back in touch to find out what else his program might offer!

ALINA
ASIAN
FUCKDOLL

Alina is back by popular demand!

Alina is a sexy Asian girl with a serious attitude! Her body is hot and tight, and she knows it. Her miniature titties are perfect teardrops, and her tiny nipples get harder than a diamond when they're pinched and played with. She might bite if you get too close, but if you win her over she'll let you into the tightest, pinkest and most-delicious pussy you'll ever experience. She might even lick and suck you clean with those sexy, glossed school-girl lips. It's no wonder readers were begging us to feature her again.

What is your best feature?

"If you mean sexually, I love my pussy. I used to turn guys away because they were too big for me. I'm still really tight, but I've learned how to fit bigger dicks inside of me, and now I love them. I don't know how it always shrinks back down afterwards, but it does!"

So what's the perfect day to you?

"I like to do adventurous stuff, like skydiving. I think the perfect day would be if a hot guy picked me up on his motorcycle, took me to sushi, left without paying the bill and fucked me outside on a mountain or something. Then, later, we could go to his house and fool around with one of his roommates—whether it was a guy or a girl wouldn't matter. Maybe two or three guys could pass me around!"
